(Commentary from the Board of Directors)

October 9th – Cookout At White Tail Farm

Elly and Linda Robinson have generously offered use of their White Tail Farm to the Club for the site of the VAC Annual Bar-B-Que. The event is to be held on Saturday, October 9th (rain date October 10th). Details appear in a special notice elsewhere in this copy of the Angler.

A Generous Offer From Capt. Ronnie Sides

Capt. Ronnie Sides has offered to donate to the Club \$100 of his charter fee for those fishing with him in October. Two dates remain open. Ronnie's specialty is catching little tunny in the Harker's Island area. Please check with Ronnie for details and available dates. Thanks to the good captain for his offer of this generous donation.

September Raffle - A G Loomis Spinning Rod

Chances to win a G Loomis 6'-6" GL 2 spinning rod will be sold during the September Membership meeting. The drawing will also be held during the September meeting. Raffle Tickets will be available at 1 for \$5.00 / 3 for \$10.00 at the meeting. See Eddy Johnston for ticket purchases before the meeting or during the break.

Membership Meeting Programs

The featured speaker at the September Membership Meeting will be VAC member and Executive Director of the Recreational Fishing Alliance Jim Donofrio. Jim will review the RFA's efforts at the Federal Level to support the establishment of a Menhaden Management Plan. This plan is desperately needed because the number of menhaden in the Chesapeake Bay is reportedly not adequately supporting the needs of the striped bass population. Members of the Fly Fishers of Virginia and the CCA have been invited to join us for Jim's presentation. The October Membership Meeting will feature Jerry Dorash's presentation of Techniques for Fishing Tackle Maintenance.

DGIF Calendars Available At the September Membership Meeting

The 2004-2005 DGIF Wildlife Calendars will be available at the September Membership Meeting. The Club has nearly sold out of the 400 calendars that were ordered and the calendars will be discounted at the meeting.

Bob Brown Casting For 2005 Tournament Suggestions

Don't forget to pass along any suggestions you might have for the 2005 schedule of tournaments to Bob Brown. All suggestions will be equally considered.

CATCHY COMMENTS

by Dennis Cline

Lots to talk about this month. Top billing has to be the return of African Pompano to waters off Ocracoke, at least for some of our members. First to cash in were **Scott Davis**, **Fred Cousins** and **Reggie White** with Africans weighing 14-0, 16-0 and 17-0 respectively. This trio also scored on amberjack and barracuda. Fred's 36-0 AJ on 12 plug leads for the species cup. He also released a respectable 29-0 cuda on 12-plug. **Elly** and **Robbie Robinson** also got in on the fun about two weeks later. They landed eight Africans between them! Elly got the points with a 17-0 on 6-plug worth 377 points. Robbie got the biggest, with an 18-4 on 8 general. The only other African entries that I can recall during my tenure were five that were caught in 1996. They included Elly's short-lived world record 33-0 on 6-general. Elly and Robbie also battled some 20-pound class cudas, and one monster cuda that escaped after a two-hour fight!

The largest snook in the VAC record book was recently landed and released by **Dick Stephenson**. It was a 29-0 snook that measured 45 inches. Dick caught the fish on 30-general while fishing in Jupiter Inlet, Florida. The fish replaces **Bill DuVal's** 26-0, caught just last year, on the club's lunker list. At about the same time, Bill was enjoying a memorable trip to Seward, Alaska in search of halibut and ling cod records. The list of potential records Bill showed me was too long to remember! There had to be 20-25 of them for the group! Bill did enter a new club record Coho salmon on 8-fly that weighed 14-0.

Scott Johnston knocked off three more croaker records on fly in August. All were 2 pounds or more, with the top fish a 2-8 on 4-fly! Scott has now reclaimed all five of the croaker records I stole from him two years ago. He must have been pretty "high" after that accomplishment. How else can you explain eating a world record flounder a few days later? I always thought Scott read the IGFA bible every night before he went to bed. He must have missed a night or two because a 3-10 on 6-fly flew right under the radar! He does get credit for a club record for that one and for a 1-14 on 4-fly.

Dr. Jim Wright has logged the first local billfish release for the year. His white marlin was caught on 30-general at the "fingers". He also bagged a club record 10-12 sheepshead on 30-general at the CBBT.

Lynn Spurlin and **Bob Shepherd** provided the only noteworthy freshwater catches this month. Lynn released a nice 5-12 largemouth on 4-spin while fishing a farm pond. He also tried the James for carp, where he released a 14-0 on 4-general using dough balls. Bob's contribution was a 23-0 flathead on 12 general that capped an action packed day on the James.

The August Angler of the Month was **Larry Allen**. Not for a speckled trout, mind you. Larry's catch was a 3-2 croaker on 2-spin that scored 416 points! **Scott Johnston** took second with his 2-8 croaker on 4-fly that scored 333 points. Third place honors went to **Fred Cousins** for his 16-0 African pompano on 12-plug that scored 246 points. Congratulations guys!

I think I hear the surf calling. See you next month!

VAC Fall Bar-B-Que Set For October 9, 2004

The VAC FALL BAR-B-QUE will be held at the Robinson's White Tail Farm on **SATURDAY, OCTOBER 9th** with October 10th set as the rain date. The gates will swing open at noon, the meal will be served around 3:00 PM and the festivities will end by 6:00 PM. Students and Faculty from the universally acclaimed Noland-Dale School of Culinary Arts will prepare and serve the feast. Food, sodas and bottled water will be furnished. Please bring your own beer or other alcoholic beverages. Children and guests are welcome.

Main Event

Headlining the meal will be Rookies' World Famous Chicken, lovingly prepared by new members Jeff Doughty and Dean Winstead. Supplementing this unbelievable chicken will be bar-b-que pork, slaw, baked beans, rolls and condiments (including the Noland Brothers' special thumb dipped B-B-Q sauce). The scrumptious desert will feature peach, apple and cherry cobblers.

Reservations

The cost of the event is \$15 per individual and \$25 per couple. Reservations may be secured by sending a check in the proper amount, with attendees noted there on, to the Virginia Anglers Club, C/O Fred Cousins, 2032 Stoneheather Road, Richmond, VA 23233-5815. Please send your check by October 4th so a head count can be made in advance for the purchase of supplies for the meal. For payment questions, call Fred at (H) 740-3238 or (O) 273-3047.

Games will abound. Bring fishing tackle suitable for contests for surf tackle distance-casting contest (min. line test 12 lb.) and spin, plug and fly tackle for a casting accuracy contests. Elly's Olympic Class egg toss and other games will also be featured. A raffle featuring a pair of prints of the Cape Hatteras Light House will be held. Please bring your own chairs or blankets if you wish to have seating for the meal or at other times during the day.

Directions

Elly and Linda Robinson's White Tail Farm is located in Chesterfield County. Directions to the farm are as follows:

- ❶ Chippenham Parkway to Iron Bridge Road South (Rt. 10 south).
- ❷ South on Iron Bridge past the Chesterfield Court House to Beech Road (at the stoplight).
- ❸ Right on Beech Road to Nash Road (a short distance ~ 1.5 miles).
- ❹ Left on Nash Road to where Nash dead-ends at Woodpecker Road (towards the Highlands Subdivision).
- ❺ Left on Woodpecker Road, past Cat Tail Road (1st hard surface road off Woodpecker) and about 300 yards past the 35 MPH curve.
- ❻ Right on the wide gravel road across from a brick rancher to where the White Tail Farm property begins (you will pass an airplane hanger type storage building. If you see a convenience store on your left, it means you went too far on Woodpecker).
- ❼ Drive to the Robinson's house to receive parking instructions. Note: This is a working farm with crops in the fields. Parking instructions are important to get.
- ❽ If you get lost, please use Special Rescue Service phone number 590-3043.

Since this is an outdoor event, a rain date has been set for Sunday, October 10th. If a clear day on the 9th is in doubt, please call Elly (804-590-3043) on Thursday, October 7th for confirmation if the function will be moved to the rain date. Shoes that accommodate the outdoor setting are recommended.
