

# No December Meeting

The next Monthly Membership Meeting (not to be confused with the Annual Awards Banquet) will be held February 22, 2005.

## Backlash (Commentary from the Board of Directors)

#### Awards Banquet - Saturday January 22, 2005

The Awards Banquet will be Saturday Jan. 22 with the bar opening at 5:30 PM for a social time. Dinner will be served at 7PM sharp. <u>The cost will be \$30 per person</u> and will include a meal consisting of carved prime rib, flounder stuffed with crabmeat, veggies, rolls, salads, assorted desserts and dinner beverages. The Banquet will be held at the Meadowbrook Country Club. Directions to Meadowbrook appear elsewhere in this newsletter.

#### A Reminder – Open Season Submissions Only

To be eligible for consideration for the annual club fishing tournament or for club record catches, any catch submitted must be caught in an open season. Catches made in a closed season will be disqualified. Be sure to check applicable regulations for season, length, slot and creel limits to be sure the fish you submit is legal. Regrettably, a few VAC records have had to be denied after being awarded when it was discovered that the catches were made out of season.

#### **Dues Increase Progress and Budget Update**

As announced in the November *ANGLER*, a proposed increase in dues was brought to the floor at the November Membership Meeting for a vote. A headcount determined there were 19 voting members present, just one member shy of the 20 voting members required for a quorum to vote on any changes in by-laws.

The change the by-laws to show \$60/\$40/year for resident/non-resident dues respectively will be brought before the February 2005 membership meeting for a vote. The effective date for the changes in dues will be December 1, 2005, the start of the 2006 Angling Year.

In the face of not being able to reflect an increase in dues the 2005 budget, the Board of Directors had no other choice than to approve a balanced 2005 budget based on the current dues rates of \$50/\$35 resident/non-resident. The Board has previously voted that budgets must show a balance between income and expenses to be considered for approval.

#### Annual Dues are Due Now

Your Dues Statement for 2005 is elsewhere in this edition of the *ANGLER*. Please return them promptly with your payment. The 2005 Dues Statements include a line on which a voluntary contribution can be specified and included with the 2005 dues. The VAC has not had a dues increase in over ten years. The additional funds are desperately needed to ensure the continued operation of the club and to help finance conservation oriented efforts. Please consider donating at least an additional \$10 to help ensure our efforts.

#### **Club Officers for 2005 Are Up For Election**

A ballot for the 2005 slate of officers appears elsewhere in this edition of the *ANGLER*. These men have answered the call the Nominating Committee and are presented to the club membership for approval. Ballots have room for write in votes and must be received by the club with postmarks no later than December 31, 2004.

#### **Tournaments Scheduled for 2005**

The Board of Directors has approved the 2005 Tournament Schedule. A detailed list of the tournaments' targeted species, dates and chairmen will be included in your annual package of information, initially available at the Awards Banquet. The Board reduced the number of tournaments by about one third. The scheduled tournaments for 2005 reflect the historically most popular tournaments in terms of participation.

#### Next Monthly Membership Meeting : February 2005

The next Monthly Membership Meeting (not to be confused with the Annual Awards Banquet) will be held February 22, 2005. Dick Stephenson, VAC member and owner of the Skilligalee Restaurant, has generously offered meeting facilities to the VAC for the monthly Board of Directors and Monthly Membership Meetings. The Skilligalee is located just north of the intersection of Broad Street and Glenn Side Drive. More details will appear in coming issues of the *ANGLER*.

Regards and Tight Lines,

John

## CATCHY COMMENTS by Dennis Cline

After a really slow October, November turned out to be a good month for club activity. Saltwater action focused on striped bass and little tunny, with a few speckled trout thrown in for good measure. On the freshwater side, we had a sampling of many species, punctuated by some fantastic rainbow trout catches!

Stuart Lee stole the striper show with a club record 30-0 striper on 4 general from the James River that scored 500 points! Parks Rountrey spent several days mining the Oregon Inlet shoal waters for several nice stripers. His best was a club record 25-0 on 6 general. On a couple of his trips, Mickey Kodroff, who has been fighting illnesses for over a year and a half, joined Parks. It's great to see you at it again, Mickey!! Somewhere on the Chesapeake. Bruce Henderson caught a nice 22-0 on 6spin. At Hatteras, Quentin Corbett released a red drum on 8-spin. Dr. Jim Wright pulled a citation 5-0 speckled trout out of the Elizabeth River using 6-spin. Lynn Spurlin, Scott Davis and yours truly got in on some spectacular little tunny fishing at Cape Lookout. Top fish were a 15-0 on 12-spin for Lynn, a 9-0 on 6-fly for Scott and a 10-0 on 6-fly for me.

The freshwater smorgasbord featured several species. I'll start with my 3-11 largemouth from Lee Hall Reservoir. **Buddy and Danny Noland** entered smallmouth from the New River. Buddy had the best one, a 2-6 on 2-spin. **Nelson and Eddy Johnston** released a bunch of gar to 11-8 from Chippokes Creek. **Fred Cousins** was surprised by a 1-1 yellow perch on 2-spin at Lee Hall, where he and I each also enjoyed some medium sized chain pickerel. Then came the mind-blowing trout fishing!

**Buddy and Danny Noland, Elly Robinson** and **Dean Winstead** found the mother lode of rainbows in a place called Johns Creek. How they found them is a mystery. How long the fishery will last once the word gets around is anybody's guess. Perhaps they should have written "private creek, VA" on their scorecards! But, since the place was written up in the Roanoke Times on 12/12/04, we all had better enjoy it while we have a chance. See the article posted on the club website. And now for the details on this catch and release, fly rod and barbless hooks

**43**<sup>rd</sup> Anniversary Banquet only trip to paradise. Our illustrious scouting party entered scorecards for 17 rainbows all 3-0 or better! These fish included eight over 5-0 and two of those were over 6-0! The largest fish was Danny's club record 6-12 on 4-fly!! Buddy released club records on 6-fly (6-1) and 12-fly (5-14)!! Dean released a 5-8 on 8-fly! Elly released a 4-12 on 4-fly! Get the picture? Oh, and if you would rather mess with some smaller trout, the place also has browns in the 2-3 pound range. Incredible!

The final C.V. Kinnard angler of the month winner was yours truly for a 10-0 little tunny on 6-fly that scored 333 points. **Eddy Johnston** was a close second with a 9-0 gar on 2-plug for 327 points. **Scott Davis** placed third with his 9-0 little tunny on 6-fly scoring 300 points. The final standings for 2004 are included in this newsletter.

That wraps up 2004!! Be sure to join in on the food and fun at the Awards Banquet on January 22, 2005! The 2005 angling year is already in progress. Several nice striped bass along with a big bluefish are already on the club books as well as a 733-point rainbow from "private creek, VA"!!!

Saturday January 22, 2005 Bar opens at 5:30 and dinner to be served at 7:00 See details on page 8.

# VAC Board Approved Dues Increase

Because of poor attendence at the last monthly membership meeting, a VAC Board approved and recommended dues increase from \$50 to \$60 per year (for resident members) and from \$35 to \$40 per year (for non residents) was unable to be voted upon. The VAC has not had a dues increase in over ten years. The additional fees are desperately needed to ensure the continued operation of the club and to help finance conservation oriented efforts. Please consider donating at least an additional \$10 to help ensure these efforts.

Invoices will be mailed separately. To save postage and additional efforts of VAC officers, please forward a copy of the below form along with your dues payment and contribution to:

# Old Member Bio

Member: Bob Shepherd Age: 48 Wife: Leah Shepherd Address: 8408 Spring Meadow Rd. Richmond, VA 23235 Home Phone: 804-320-8600 Work Phone: 804-323-6124 Cell Phone: 804-241-0870 bshepherd@medivisuals.com

**Background:** Undergraduate degree in Painting & Printmaking from UNC-Greensboro, MS in Medical Illustration from the Medical College of Georgia. Currently operating a medical illustration business that specializes in medical illustrations, animations, and models to support courtroom testimony (that's right, if you're hurt as the result of someone else's negligence – call us).

Began my fishing career in the mountains of North Carolina at the age of five by catching crayfish on a chicken bone tied to a string. Spent my teenage years fishing farm ponds and piers in North Carolina. The first time I fished from a boat (other than a canoe) was after joining the VAC. Learned almost everything I know about fishing from other members of the VAC (Thanks to all – you know who you are). Have two teenage kids (Reid 18 and Graham 13) who sadly don't share my passion, but taking them fishing is one of my greatest joys.

Some of the most remembered fishing experiences involve the ones that got away rather than the catches. Probably the most excruciating and well remembered experiences involved a cobia in the 80 pound range that I fought with Ronnie Sides and Kelly Stafford before finally breaking it off. A more recent experience that also still haunts me is the loss of a nearly thirty pound muskie when the hook pulled out (on 4# test).

Boats: 21' Skeeter Bay Pro, 16' jet drive john boat, 15' canoe.

Specialty: James River blue catfish, Eastern shore surf drum, and New River muskies.

**Fishing Preferences:** *Enjoy the challenges of light tackle fishing and pursuit of rare species (such as muskies and tarpon in local waters).* 

**Membership Goals:** To share the experiences, camaraderie, knowledge, and friendship of others with similar passions. To one day become a Master Angler. To catch a citation size fish of every Virginia freshwater species.
